Fundraising Opportunities at SVVC

All fundraising offered through SVVC is optional.

100% of all funds earned are entered into the Player's account for use toward travel, Club fees or Post-Season Tournament costs.

MEDIA GUIDE: Our annual SVVC Media Guide is a great marketing tool to advertise a local business and also a fun way to give a note of encouragement and congratulations to your favorite player in the form of a personal ad. The Media Guide is distributed to FREE to players, parents and advertisers.

ADVERTISING BANNER: Business banners will be displayed constantly throughout the season in the SVVC gym and will be viewed by not only players and families, but also to the many visiting players and spectators at tournaments and competitions.

DONATION TO PLAYER: Don't worry if you don't have an ad to place or you can't buy a banner...no problem! Donations are a great way to show support to your favorite player.

RAFFLE TICKETS: Volleyball Festival provides Raffle Tickets free of charge in the Spring for each player to sell; 100% of the funds goes to player's account.
