SPECIAL EVENTS REPORT GOLF TOURNEY

Special thanks go out to Gary McCord, Terra Varney's grandfather, for hosting our 1st Annual SVVC Golf Tournament. He helped raise more than \$5,000 for our 16-K&B to attend the Lone Star JNQ Tournament. The winner of the 50/50 raffle was Jeff Robinson. He donated the \$630 winnings back to the 16's team for their trip. Tina Anderson and Krista Varney did a great

job organizing this special event. Can't wait until next year to do it again!

New Addition!

Congratulations go out to Tayibba Haneef-Park. Tayibba gave birth to a beautiful baby boy, Ajani Jamal Park, on March 7th at 12:45 a.m. Ajani weighed in at 9.1 lbs and is 21.5 inches long. Congratulations Mom, Dad and Baby!

Where Are They Now?

Torey Ellick

Torey, a middle blocker with USD, just completed all 4 years in the West Coast Conference. Torey was 2nd in kills and led her team in blocks her senior year. She also set the season-high kill percent record and career kill record. Torey took home the WCC Player of the Week and was named All-WCC Honorable Mention as a sophomore and All-WCC 1st Team as a senior. She graduates as a communications major this May. Congratulations, Torey!

16 K&B Are Headed to Division One!

Congratulations to all players on 16 K&B for a great performance in Mandatory One. “Kelsey Groot led the team in kills and blocks and was instrumental in the team’s success,” said Coach Brian. “Karli Thompson added stellar overall performance,” said Coach Kelli. Good luck in Dallas!
